

## St Andrew's and St George's West Church

### Letting Charges

There are two scales of charges – full charges and charitable charges. A charity number must be provided for charitable rates. Approval for events will be made by either the minister or any two from the Session Clerks, Treasurers or other authorised Session member.

A session is up to 4 hours; evening rate for the church includes an extra session on the same day or on an alternative agreed day, for rehearsal or other purposes. A full day including evening will be evening rate plus 1 session. There will be no extra charge for the kitchen. An evening hire for a concert or other performance will include hire of the Undercroft as a green room for artists or for refreshments etc. (The Undercroft cannot in any case be hired out separately if there is a performance upstairs, because of the noise transmission.)

Regular (monthly or weekly) lets may be negotiated separately. Currently no charge is made for youth organisations who meet regularly.

All rates are deemed to include attendance by the Church Officer. A deposit of 25% is required at the time of booking.
